

AMERITREAD LIMITED WARRANTY

STANDARD COVERAGE

If your AMERITREAD tire becomes unserviceable as a result of an eligible adjustable condition during the first 10% of tread life, the owner will be compensated 100% of the value of the tire. After that amount, AMERITREAD will offer a prorated mileage credit, a prorated mileage credit until the remaining tread depth reaches 25%, towards purchasing a comparable AMERITREAD brand tire. The owner is responsible for mounting, balancing, taxes, freight, and any other additional charges. AMERITREAD shall not be responsible for any other fees incurred as a part of any exchange, labor, or additional costs resulting from this guarantee. AMERITREAD shall not be responsible for any damage or other issues caused by the improper installation (including any of the exclusions below), balancing, or selection of tire—including the selection of size, specification, type, or use of such tire (including those obligations under the “Owner’s Obligations section below”) that the manufacturer of your vehicle does not recommend. All terms and conditions of this guarantee are limited to the terms and conditions contained in this guarantee.

AMERITREAD tires include the Standard Coverage and the additional coverages listed below.

MILEAGE WARRANTY

- 50,000 miles tread life warranty for Total comfort, and Xtreme grip.
- 55,000 miles tread life warranty for Trail command HT.

- Vehicles with staggered fitments, where the front and rear tires have different tire sizes, cannot be rotated. AMERITREAD warrants tires mounted on the rear axle of vehicles with staggered fitments only up to 50% of the warranted miles under our standard mileage warranty for all applicable tire models, tread patterns, and tire sizes listed in this warranty.

4. Present documentation showing the rotation schedule when requesting an adjustment and the date of purchase, vehicle type, model, odometer reading, and tire pressure.

When the tread becomes worn to 2/32 inch (shown by tread wear indicators molded into the tread grooves), the tire tread shall be considered worn. The Department of Transportation specifications determine such tread wear, and in accordance with applicable laws and regulations.

4-YEAR MANUFACTURER WARRANTY

The 4-Year Manufacturer Warranty is a non-prorated replacement for any manufacturing defects in material and workmanship under normal and intended use. Non-intended uses include racing, sanctioned off-road competition, or other competitive activities. For any AMERITREAD tire marketed and sold as an all-terrain, rugged-terrain, or mud-terrain tire, recreational off-road use on unpaved terrain is considered normal intended use and is covered under this warranty. If a manufacturing defect in material or workmanship occurs, the tire will be replaced at no charge, on a non-prorated basis to the consumer.

CONSUMER RIGHTS

AMERITREAD disclaims all other warranties, express or implied, including the implied warranty of merchantability, the implied warranty of fitness for a particular purpose and liability for incidental and consequential damages (i.e., loss of time, loss of use of vehicle, road services, towing charges, inconveniences, etc.).

OWNER'S OBLIGATION

When making a claim, you must return the tire to be replaced to your AMERITREAD tire dealer and sign the customer signature section of the AMERITREAD Tire Claim Form.

Proper vehicle and tire care are necessary to obtain the expected wear from a tire. Therefore, it is your obligation to properly maintain your tires and the vehicle upon which they are mounted, including:

1. Operating your tires at the inflation pressures recommended by the tire and vehicle manufacturer.
2. Keeping your tire and wheel assemblies in balance.
3. Proper wheel alignment.
4. Maintaining steering and suspension components to be within manufacturer specifications.
5. Rotating your tires at least every 3,500 miles or less (UHP passenger car tires) or 5,000 miles or less (standard light truck tires).

CLAIMS PROCESS

To make a claim under this Limited Warranty, you must:

1. Present your vehicle with the subject tires, the original copy of this Limited Warranty and the original sales invoice to an authorized AMERITREAD dealer.
2. Present your completed Tire Service Record to the authorized AMERITREAD dealer along with the other two documents in #1. For treadwear mileage warranty consideration, the Tire Service Record must show the times and places that the tire rotations were performed. AMERITREAD recommends rotations at 3,500-mile intervals or less for high-performance passenger car tires and 5,000-mile intervals or less for standard light truck tires.
3. Complete and sign the AMERITREAD Limited Warranty Claim form provided by the dealer, keep a copy for your records, and leave the tire with the dealer.
4. If you purchased the tire from an Internet or mail-order merchant, you will need to submit your claim, together with the dismounted tire, to that merchant. You are responsible for all of the costs of dismounting and shipping. Your claim will be administered in accordance with the Limited Warranty that was in effect when you purchased the tires.
